

MEMORANDUM FOR: Director of Logistics

SUBJECT : Accounting for Property and Supplies in [REDACTED]

REFERENCES : (1) [REDACTED] 4070 to Senior Representative, [REDACTED]
from Chief, Support Mission dated 29
December 1954. 25X1A6a
(2) Memorandum to Deputy Comptroller from
[REDACTED] dated 28 January 1955
Subject: Financial Accounting for Property
and Supplies [REDACTED]

1. Reference No. (2), a copy of which is forwarded herewith, was
prepared by [REDACTED] during his recent visit to Headquarters.

2. This Office is very much concerned regarding the situation as
described in references (1) and (2) since the accuracy and complete-
ness of financial accounting for property and supplies [REDACTED]
[REDACTED] is dependent upon the accuracy and completeness of logistics
documentation prepared and submitted by [REDACTED] missions and
stations.

3. The attached memorandum is nothing more than a resume of the
logistics situation, [REDACTED] as described in more detail in
reference (1), [REDACTED] 4070, and our purpose in forwarding a copy to
you is to enable you to have in your possession the thinking of
the Comptroller of [REDACTED].

4. We are assuming that the Office of Logistics is taking appropriate
action with respect to the situation as described in the above refer-
ences but in view of the importance of the problem and its relation-
ship to the financial records, we would be glad to assist your Office
in any way which you may believe practicable in solving the problem.
